## BOOKMOBILE DEDICATION ON WEDNESDAY; PLAN ANNEX

Plans for the dedication of the new \$10,000 bookmobile donated to the Adams County Free Library by the C. H. Musselman Foundation next Wednesday at 7 p.m. at the South Mountain Fair were completed at the September meeting of the board of directors of the library association Friday evening in the main library building on E. High St.

At the same session, the board reviewed plans for the garage-stackroom addition proposed to the library building and heard from Property Committee Chairman L. S. Long that they may be able in October to award a contract for the erection of the annex.

The addition will house the new bookmobile and provided badly needed stack space for about 8,000 books. Renovation of an additional second floor room in the main library building to add space to the rapidly-filling library probably will be combined with the building project, Long said.

### To Give Ike's Book

The new bookmobile, inspected by the directors Friday evening before the meeting, will be on display at the fairgrounds throughout next week when the public will be invited to donate books to the library to help fill the bookmobile for its regular trips that will start on September 14.

New books will fill shelves on one side of the bookmobile. Visitors may "buy" a book from those shelves, donate it to the library when it will be moved across to fill empty shelves on the opposite side of the new library on wheels.

In recognition of the gift, the donor's name will be placed in the bookplate of the volume he or she donated and a ticket receipt will entitle the donor to one chance in the daily drawing for an autographed volume of Eisenhower's "Crusade in Europe."

### Set New Loan Record

The dedicatory address will be given by County Superintendent of Schools H. Edgar Riegler. Presentation (Continued on Page 5)

## FAIRFIELD LIONS TURN SALESMEN AGAIN FOR BLIND

The Fairfield Lions, who during the last two years spent \$588 to aid area residents with eye problems, will again on Tuesday evening seek to raise funds for sight conservation by becoming salesmen.

Following their meeting Tuesday evening at 6:15 o'clock at the farm of B. E. Benner, near Fairfield, the Lions will take to the streets of the communities and the roads of the Fairfield area to sell brooms, tea towels and furniture polish.

This time the "salesmen" will have a larger stock of the products with them than they had the last time. Then they found all supplies gone before the area was canvassed.

At the same time they expressed their appreciation to the people who bought the articles both on their own behalf and on the part of people who need sight aid in the area. The profits from the sale go into the sight conservation fund.

From July, 1952, to July, 1954, the Fairfield Lions spent \$200 for eyeglasses; \$263 went for bills from the Wills Hospital and \$125 to the Allentown Hospital. The Lions pointed out that the amount represented a greater achievement than it would appear because most oculists gave their services free and charged only actual cost for the glasses, thus permitting a large number to be fitted with the eye-saving devices.

## Pfc. Wishard On Leave In Japan

PFC. Charles W. Wishard, 21, son of Mr. and Mrs. Ernest E. Wishard, York Springs R. 2, recently spent a rest and recuperation leave in Kobe, Japan, and then returned to his Army unit in Korea.

At Kobe were fishing, boating, golfing and golfing facilities, sight-seeing excursions and other entertainment and recreational programs unavailable in Korea, where he is a cook in 3d Battalion Headquarters Company of the 7th Infantry Division's 17th Regiment.

Wishard entered the Army in January, 1953, and arrived in the Far East the following August.

## Abbottstown Youth Aids In Malta Attack

Pfc. Paul J. Lings, U. S. Marine Corps, son of Mr. and Mrs. Fabian J. Lings, of Abbottstown R. 1, participated in the amphibious assault on Malta, designed to test the defenses of that Mediterranean island.

Lings, with the 1st Battalion, 6th Marine Regiment, attached to the U. S. 6th Fleet.

## Thank You General Parks

The following communication, which is self-explanatory, was received this morning from Lieutenant General Floyd L. Parks, Commanding General of the Second Army, with Headquarters at Fort George G. Meade:

"Please accept my heartfelt thanks for the ready cooperation and enthusiastic support which you and your staff extended on behalf of the Homecoming Reunion. The very thorough coverage in the Gettysburg Times before and during the affair contributed immeasurably to its success and is certainly a heart-warming example of the hospitality with which we were received by the people of Gettysburg."

"I would be remiss if I failed to add my thanks and congratulations to Doctor John J. Dillon of your staff who, I understand, worked long and hard on the comprehensive reporting of the three-day affair."

## MISS ROGAN IS WED TODAY TO EUGENE I. COLE

Before an altar decorated with gladioli, Miss Anna Marie Rogan, daughter of Mr. and Mrs. Edward John Rogan, 516 York St., became

MRS. COLE

the bride of Eugene Ignatius Cole, son of Mr. and Mrs. Charles I. Cole, 115 Steinwehr Ave., at a nuptial mass celebrated at 10 o'clock this morning in St. Francis Xavier Church. The Rev. Fr. Anthony P. Kane, pastor, officiated at the double ring ceremony.

In wedding party Mrs. George F. Eberhart, organist, played wedding music by Carlo Rossini and accompanied the soloist, Mrs. Bernard Frazer, of Gettysburg.

Given in marriage by her father, the bride wore a floor-length gown of white nylon net over satin fashioned with a three-tiered ruffled skirt, long tapering sleeves and an off-shoulder neckline with an illusion net yoke. She wore a pearl necklace and her fingertip veil was attached to a tiara of seed pearls. She carried a bouquet of white roses.

## Gerald Gould Is Returned To Trenton

Gerald Gould, 26, Trenton, N. J., waived extradition Friday afternoon before Judge W. C. Sheely and was returned to the New Jersey city by Trenton detectives.

Gould walked into police headquarters Thursday afternoon and surrendered himself to Officer Raymond E. Menges, telling him that he was wanted in Trenton for stealing a car, assault with a deadly weapon, and driving while his license had been suspended.

## Visibly Worn, But Buoyant, "Hard To Kill" De Castries, Is Released By Red Captors

HANOI (AP)—Brig. Gen. Christian de Castries commander of the fallen Indochina fortress of Dien Bien Phu, reached freedom today. The Communists' prize prisoner was visibly worn but still buoyant and "hard to kill."

De Castries was brought to Hanoi from the exchange site where the Reds freed him at Vietri. He was met in Hanoi by Gen. Rene Cogny, commander of the withdrawing French forces in North Indochina.

At the exchange point, De Castries leaned on a cane as he was turned over but would not allow himself to be put in a stretcher.

He rode to the exchange site in a Communist command car, accompanied by a Vietnamese colonel and a Communist correspondent. His first request was for French fried potatoes and something different from his prison diet which was mainly rice.

(The French News Agency reported De Castries stood for a few moments before a number of

## MORE SCHOOLS TO BE NEEDED IN FEW YEARS

With school beginning Tuesday for approximately 7,000 youngsters throughout the county, Superintendent of Schools H. Edgar Riegler today reported that the present school buildings in the county will not be sufficient within a few years.

He based his conclusion on a report showing the number of births in the county in 1953, a total of 1,067, representing a 36.5 per cent increase over the 782 births in 1942.

"This rising tide promises to continue at such a pace that where there are three students entering our county's schools now, there will be four in 1960 and five in 1965," Riegler said.

### Same Throughout State

State-wide some 2,000,000 youngsters will be entering school for another term next week, Riegler said. The number of children answering the school bell this fall is 61,000 greater than the number in the schools throughout Pennsylvania last year. There are 33,000 more elementary school children and 28,000 more high school pupils this year than last.

Some areas in the county which have started or completed building programs will need additional building within the next six years, the county superintendent estimated—"not only elementary buildings but more rooms for increased enrollment in the secondary schools. Areas which have not started a building program are right now in desperate need of adequate and acceptable building facilities."

### Need Teachers Too

Adams County's problems are similar to those throughout the state, Riegler said. "Providing school buildings for Pennsylvania's pupils has fallen behind schedule during the past decade to such an extent that large numbers of the children are housed in antiquated buildings, or in rented space not intended for schools. The expanding program of instruction and the continuing sharp rise in birth date has placed the school building program in the state far behind the needs of today's children." (Continued on Page 3)

## PLAN PHOTO TRIP TO ANNAPOLIS

Plans for the photographic exhibit at the South Mountain Fair next week and for a picture-making trip to Annapolis on Sunday, October 3, were made at the September meeting of the Gettysburg Photographic Society Friday evening at the home of Philip Tyson, Gardner.

Prints for the fair display are to be taken to Dave's Photo Shop by 6 p.m. Tuesday, it was announced.

The society also discussed dates for next year's photographic show at the Gettysburg National Bank.

Twelve prints were entered in the monthly print show which was won by Mrs. Gretchen Goughnour, York, with a high key shot of a white glass bowl and lemons. Philip Tyson placed second with a picture of the bow and figurehead of an old sailing vessel. A child at camp was the topic for the picture by Robert Ditchburn that placed third. Joseph D. Kendeheart and Paul G. Pensinger tied for fourth position. Kendeheart had entered a portrait and Pensinger a cat trying to catch a bird on a television screen.

The next meeting will be at the home of Mrs. Goughnour in York.

### LICENSED TO WED

A marriage license has been issued to Charles A. Roche, son of Mr. and Mrs. Maurice D. Roche, of New Oxford R. 1, and Ethel M. Kineman, daughter of Mr. and Mrs. Guy R. Kineman, of Abbottstown R. 1.

The bride will wear a navy blue knit dress and a corsage of red roses. Mrs. Roche will wear a light blue knit dress and a corsage of pink roses.

A reception will be held this evening on R. 2 where the couple will reside.

The bride attended the York Hospital School of Nursing and is now employed on the nursing staff at the Warner Hospital as a practical nurse. The bridegroom is employed here by Prosperity Cleaners.

## Local Woman's Car Damaged In Hanover

Hanover Police charged Moses P. Mummert, Hanover, with reckless driving as the result of a collision in the 500 block of Baltimore St., Hanover, at 10:25 p.m. Thursday. The information was filed before Justice of the Peace William Y. Neill Jr., Hanover.

Police said Mummert was driving north on Baltimore St. when his car sideswiped a parked car owned by Hilda Newman, 637 York St., Gettysburg. Damage was estimated by police at \$75 to the parked car and \$15 to Mummert's.

## Miss Nellie L. Larsen And Cary W. Ahl Will Wed Today

## FRANKLIN TWP. SCHOOLS OPEN SEPTEMBER 9

Originally scheduled to start on the same date as Gettysburg joint district schools, the Franklin Twp. schools will open next Thursday morning at 9 o'clock for a half day session, it was announced today.

On Friday Gettysburg school authorities announced schools here will not be in until Monday, September 13, because remodeling work at the high school building is incomplete.

The Franklin Twp. schools changed their opening date to Thursday with their teacher's scheduled to take a day off from classes later in the fall for teachers' institute that will not affect Gettysburg teachers.

### Bus Schedules Same

Full day session for Franklin Twp. elementary schools will begin on Friday.

High school pupils from that township in Gettysburg High School will not begin their studies until the following week.

Clyde A. McCauslin, Franklin Twp. consolidated school principal said bus routes will operate on the same schedule as last year. Additional bus stop signs that are needed will be provided as soon as arrangements can be made with the State Highway Department.

## COUPLE WEDS THIS AFTERNOON

Mrs. Ruth Deal daughter of Mrs. Nellie McLaughlin, 229 N. Washington St., and Harold S. Rummel, R. 2, son of Clarence D. Rummel, R. 4, will be united in marriage this afternoon at 3:30 o'clock in the parish house of the Westminster, Md., Methodist Church. The Rev. Harold Hodgson will perform the double ring ceremony.

Mr. and Mrs. James E. Pierce, Rockville, Md., will be the attendants.

The bride will wear a navy blue knit dress and a corsage of red roses. Mrs. Pierce will wear a light blue knit dress and a corsage of pink roses.

A reception will be held this evening on R. 2 where the couple will reside.

The bride attended the York Hospital School of Nursing and is now employed on the nursing staff at the Warner Hospital as a practical nurse. The bridegroom is employed here by Prosperity Cleaners.

The soloist, Nelson Burhans, will sing "The Wedding Prayer," "Ich Liebe Dich" and "How Do I Love Thee?"

### Bride Wears Satin

The bride, to be given in marriage by her father, will wear a floor-length gown of white Skinner satin designed with a Queen Anne's collar, fitted bodice, long sleeves tapering over the wrists and a full skirt ending in a cathedral train. The fitted bodice is buttoned (Continued on Page 7)

## Here And There News Collected At Random

A lot of average, kindly, peaceful Americans are going to turn killer over this long Labor Day weekend. And a lot of laughing kids looking ahead to a bright future are never going to make it. Some average American is going to cut them down all over the highways of the United States. There'll be a lot of youngsters who won't hear schoolbells on Tuesday, if motorists don't heed warnings today.

Horried as we are by the ravages and violence of war, it's a matter of record that each year Americans kill more of their neighbors than the Communists or the Nazis managed to do with bombs and machine guns. And the scars and disfigurements that don't go into record are just as terrible and heartbreaking whether they come from a burning car on some American highway or a flame thrower on a foreign battlefield.

So take a moment when you drive. There's no time saved in speeding to a hospital or eternity. The car you drive is a trigger weapon. You pull the trigger yourself.

Three years ago a New York ad writer, Raymond M. Eastman, scared the daylight out of drivers with a safe-driving tract called "Ten Seconds To Live." The article was printed and digested all over the United States. This week, at 29, they buried Raymond Eastman in Iowa, a victim of sudden death when his Jaguar clipped another vehicle while passing and smashed into a bridge.

This America of ours is a pleasant country filled with all the beauty of God's good bounty. Twisting little country roads carry the motorist into rural retreats of quiet grandeur, bubbling brooks, covered bridges. Huge concrete expressways, the finest roads in all the world, and the safest, link our major cities. And over this Labor Day weekend motorists will stream forth on vacation or homeward bound after a summer frolic.

Radio, TV and press will spill out hundreds of vain pleas to make it a careful, safe weekend. And all next week new cemetery graves will be opened across our nation, because some driver's foot was heavy on the gas pedal, or his eye was on the scenery, or he was impatient in a traffic line, or he thought he could beat a stop-light, traffic sign, or a road marker.

So have a happy holiday. Drive safely and sensibly. Give the other guy a "brake." Watch out for kids busting off side-walks or darting from between cars.

Be a Labor Day lifesaver, by watching out for tiny shavers. Drive a little slower that you may live a little longer. And remember. The life you save may be your own.

## Local Delegates To Meet Monday At 9:30

Delegates from the Gettysburg Fire Department to the county firemen's convention Monday will report at the fire house here at 9:30 o'clock Monday morning to go to McSherrystown for the convention as a group.

Other members of the company planni g to go to McSherrystown for the convention parade are asked to meet here at the engine house at 3 p.m.

The following were appointed recently as the company's delegates: David Baker, Donald Baker, John Basehore, Raymond Bisbing, Charles Bollinger, Edgar Bowling, John Bowling, Ivan Brightner, Ray Breighner and Alvin Bupp. The alternate delegates were Lawrence Groft, Walter Johnson, Robert L. Heyser, Charles E. Kranias, Harvey C. Gastley, Eugene F. Sanders, Martin L. Crahill, Paul Anzengruber and Charles Baker.

## Grateful Donor

A county woman, crippled by arthritis, grateful for the few comforts of life she has, this week sent a contribution of forty cents to the March of Dimes emergency fund. With her donation she mailed the following, moving-frank letter:

"I am sending 40 (cents). Realize it is a very small sum. We meaning my husband, receive, a small sum of assistance. Of course we are grateful, and myself born a cripple. Then to be crippled up with arthritis. Only have the left hand. Could I send a fund afterward? Wish I could reach out and help everyone in need. All week I have been suffering with a deep pain in my weak right leg. Love to work, take care of our God-given home. No electricity. Iron with the sad irons. Sleep with the broom. Can no longer go to church. Had to walk. My husband goes occasionally. He says no desire without me. May many more that can open their hearts and purses and give to the March of Dimes. God is all good He loves all his dear children if only more would obey His will and His law of love full fill. Very cordially a Friend and donor."

## Educator Will Address Luncheon

Dr. Harold F. Martin, director of the Bureau of General Education of the Department of Public Instruction, Harrisburg, will be the speaker at the fall luncheon of the Woman's Club of Gettysburg Wednesday afternoon, September 15, at 12:30 o'clock in the Hotel Gettysburg. Dr. Martin, a well-known educator, is chiefly responsible for improvement of the educational programs in the schools of the state.

This will be the first meeting of the woman's organization of the fall season.

## CHOIR MEMBERS TO BE PROMOTED AT ST. JAMES

Choir Members' Promotion Day will be part of the regular service Sunday morning at 10:30 o'clock at St. James Lutheran Church.

Dr. Ralph R. Gresh, pastor, recently returned from his summer vacation, will preach on "Man's Highest Good" and the church's four choirs combined will sing the anthem, "Gloria in Excelsis" by N. Lindsay Norden.

Guest soloist, Miss Jean Sloop, will sing "Supplication" by Wilbur Chenoweth.

To be promoted from the Junior to the Junior High Choir will include Linda Eckert, Linda Fox, Terry Fox, Doris Hamme, William Moritz, David Nowicki, Marilyn Routsong, Gertrude Rowe, Donald Smith, Kay Smith, Jane Weber and Judith Welkert.

To be promoted from the Junior High to the Senior High choir are: Ann Baker, Kathryn Fleming, Shirley Fox, Shirley Fridinger, Joyce Vanderwall and John Weber.

Going to the Senior Choir from the Senior High Choir will be: Joanne Deardorff, Lorraine Felix, Virginia Fox Meals, Richard Munshour, Phyllis Raffensperger and Patricia Schriver.

### HOSPITAL REPORT

Admissions: Mrs. Francis Deardorff, Biglerville; Miss Shirley Reaver, Littlestown, R. 1; Mrs. Alberta Spangler, Littlestown; Michael Farrell, R. 4; Mrs. James Tate, York; Mrs. Leroy Cullison, Biglerville; Mrs. Russell Hollabaugh, Aspers, and Mrs. Wilmore Tuckey, Biglerville, R. 1.

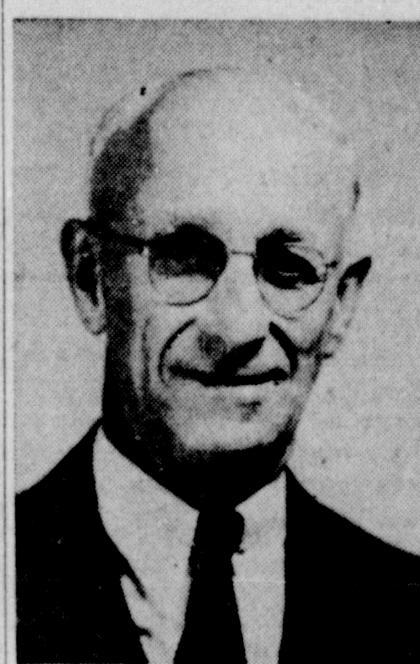

Discharges: Mrs. Clinton Davis, R. 1; Mrs. S. Kenneth Ogg and infant son, Littlestown; Mrs. Fred Arnold and infant daughter, Biglerville; Mrs. Purcell Bohrer, Arendtsville, and Frank Deatrick, 112 Baltimore St.

Fasick also reported that L. E. Potts, supervisor of the Ground Observer Corps spotter post at York Springs will serve as first assistant in the conduct of the CD program at the fair.

Six motion pictures will be shown at the CD center. They include "Air Defense," "Operation Nevada," "Duck and Cover" a cartoon shown in the schools to instruct children in the elements of Civil Defense, "The Tale of Two Cities," based on the atomic explosions in Japan; "Operation Ivy" and "Communications for Civil Defense."

The CD display will also include posters, demonstrations by first aid teams, daily demonstrations of two-way radio communications and other emergency equipment already in the county, and demonstrations of the emergency welfare arrangements made for the county in the event of any disaster.

## COUNTY GIVE \$1,323 TO POLIO FUND CAMPAIGN

Contributions to the Emergency March of Dimes now total \$1,323.35. Mrs. Joseph E. Codori, chairman of the fund drive, announced today.

The campaign, entirely by mail, is being conducted by the Adams County unit of the National Foundation for Infantile Paralysis to aid the National Foundation in its emergency campaign for \$20,000,000 throughout the nation.

No goal has been set for the local drive. Regular time for the March of Dimes campaign is January, and at that time an extensive fund drive is conducted. The National Foundation, which realized \$55,000,000 in its regular campaign, found that amount insufficient for its program of testing a new vaccine to prevent polio, plus carrying on its other work of paying for the treatment of polio sufferers and the making of gamma globulin, used not only to prevent paralysis in polio but as a preventative for other diseases.

### 22 Towns Donate

As a result the National Foundation has asked the local chapters to conduct the emergency drive to permit it to complete the test of the new vaccine and finance its other work.

Mrs. Codori's report shows the following donations by post office: Abbottstown, \$16; Arendtsville, \$37.50; Aspers, \$28; Bendersville, \$21.50; Biglerville, \$113.60; Cashtown, \$8.40; East Berlin, \$50.25; Fairfield, \$35.80; Gardner, \$45.92; Gettysburg, \$675.58; Greenstone, \$3; Guermes, \$8; Hampton, \$1; Iron Springs, \$2.50; Littlestown, \$90.05; McKnightstown, \$6; New Oxford, \$76; Orrtanna, \$33; Peach Glen, \$1; Seven Stars, \$1; Table Rock, \$130, and York Springs, \$66.95.

## Deaner Completes Two-Month Cruise

Richard E. Deaner, seaman, U. S. Navy, has just completed a two-month Midshipman Training Cruise. He is the son of Mr. and Mrs. Luther M. Deaner, of Seven Stars, and the husband of Mrs. Doris M. Deaner, of Gettysburg.

The cruise was designed to give on-the-job training to Naval Reserve Officer Corps Midshipmen. Tours were arranged for the Midshipmen to see Glasgow, Scotland, London, and Paris.

### ENTERS TRAINING

Miss Dolores Hart, daughter of Mr. and Mrs. Lloyd Hart, Aspers R. 1, was admitted to the School of Nursing at the Harrisburg Hospital August 30 for a three-year training period.

## Portable Communications Unit Will Be Shown At Fair

An emergency communications center, adaptable for use anywhere, and constructed to Navy specifications, will be shown at the Civil Defense display at the South Mountain Fair next week.

Harry M. Fasick, York Springs Civil Defense Director, who is serving as general chairman for the CD exhibit at the fair said the communications center is being provided by the Naval Supply Depot at Mechanicsburg.

Developed by the Navy for use during World War II in connection with landings on beachheads and other combat areas, the easily assembled temporary center is capable of sending and receiving messages and serves as a general communications center. Because of its success in combat tests the unit is described as being suited for emergency Civil Defense work as well.

J. Blaine Bushey, retired Arendtsville teacher and farmer, today was appointed by the Adams County Court as the third commissioner for the county.

Bushey will fill the unexpired term of the late Clark L. Fetters, of Menallen Twp., who was serving his second term as a county commissioner when he died at the Warner Hospital last week of a heart attack following several strokes.

Appointment of the 72-year-old one-time candidate for the post was made by the court shortly after it began its regular session at 11 o'clock this morning.

### Was A Close Third

Bushey, who was "third man" when the county nominated two Republican candidates for commissioner in July, 1951, will become a commissioner at a busy time. Daily sessions are scheduled for the county governing body throughout the last half of this month as they consider approximately 600 appeals from the new assessment to go into effect this year.

# RED STOOGES IN CHINA RUN OFF ELECTION

By FRED AMPSON  
HONG KONG (AP)—China went through centuries of history without a nationwide election. Now her Red bosses have run off a Communist-style election to give the huge Asian country its first National Congress.  
The Congress corresponds to Russia's Supreme Soviet. Like the one in Moscow, it gives every indication of being a rubber stamp outfit.  
The Congress of 1,226 delegates will convene the first time in Peking Sept. 15. The delegates were picked in a closely controlled series of elections in provinces, in some ethnic minority areas, and in some cities directly under the Peking government, such as Peking itself, Shanghai and Tientsin.  
Almost all the party big shots have been elected delegates, from Mao Tse-tung on down. But there are some notable exceptions.  
First order of business will be the adoption of a new constitution drawn by the party and already given a terrific nationwide propaganda endorsement.  
The Congress takes the place of the party-picked People's Political Consultative Conference, an interim group named in 1949 to serve until an election could be held. The PPOC was strictly rubber stamp and the new Congress gives no promise of being any different.

# SCHOOL PLANS AT LITTLESTOWN

All Junior and Senior High School students at Littlestown will report at 8:30 a.m. Tuesday morning at the high school auditorium there, Superintendent Paul E. King has announced.  
Among those to report at the auditorium are the Seventh and Eighth graders who will be taught at the old grade school building on E. King St.  
Bus schedules for the Littlestown joint system will be the same as they were before the Hanover Rd. was closed last spring with one exception. For the first day, Tuesday, the buses will travel 15 minutes ahead of their regular schedule. The Hanover Road has been opened for use of the school buses, it was reported.  
Only a half day session will be held Tuesday and thus there will be no cafeteria service. The full day schedule will begin Wednesday.

# Has No Substitute For State Sales Tax

BLOOMSBURG, Pa. (AP)—Sen. George M. Leader, Democratic nominee for governor, says he does not plan to substitute anything for the state sales tax if he is elected this fall.  
The York County senator told a meeting of the Columbia County Democratic Committee last night that "Republican leaders have attempted to put me on the spot, have asked what I would substitute for the sales tax."  
"I do not plan to substitute anything," he said.  
"I am not convinced at this time, with the information in my possession, that substitute is necessary."  
Leader said a vote for his election and election of a democratic legislature "is a vote to kill the sales tax."  
"It will be a vote to restore sanity and balance to state government in the interest of the people as a whole."

# Sleeping Sickness Strikes Texas Area

EINBURG, Tex. (AP)—An outbreak of sleeping sickness in a mild form had health authorities in this lower Rio Grande Valley city planning a massive mosquito-eradication campaign today.  
Preliminary tests indicated it was a relatively harmless form of encephalitis, the dread brain cell-destroying sleeping sickness, which turned up among persons first suspected of having polio.  
Dr. Charles H. Miller, head of the Hidalgo County Health Unit, said "more than 600 persons . . . may or may not be infected" and that laboratory tests were awaited.

# Edgar A. Brown Is Named For Senate

COLUMBIA, S.C. (AP)—Edgar A. Brown, South Carolina's National Democratic committeeman, was nominated yesterday by the State Democratic Committee to succeed the late Burnet R. Maybank as U.S. senator.  
Selection by the state committee means almost certain election to the Senate for Brown, who broke with Gov. James F. Byrnes in 1952 and refused to join the independent South Carolinians for paid strongly for Adlai Stevenson, who narrowly won this traditionally Democratic state's electoral votes.

**KILLED ON TURNPIKE**  
HARRISBURG (AP)—Henry A. Lewis, 28, of Carlisle, was killed on the Pennsylvania Turnpike four miles west of here last night when his station wagon overturned.  
State police said Lewis' auto apparently hit the super highway's median strip. The fatality brought to 32 the unofficial death toll on the cross-state turnpike.

# ROASTING EARS PLENTIFUL AND PRICE IS DOWN

"Roastin' ears" were priced as low as 25 cents a dozen at the Farmers Market this morning, although most of the corn was selling at the higher price of 35 cents a dozen.  
Quality seemed even better than last week and the largest supply of corn this year was available at the stands.  
Sweet potatoes, both the "white" and "red yams" were available at 35 cents a box, a new item to the stands.  
More Pears, Grapes  
Pears were more abundant, with Bartlett and Capps Favorites selling at 25 cents a box.  
Egg prices were 35 cents a dozen for small, 45 for medium and 55 for large, marking little change from last week.  
Grapes were fairly plentiful at from 15 to 20 cents a box, both the dark blue grapes and the "white" grapes.  
Belle of Georgia and other varieties of peaches were in abundance and of top quality, with prices generally at 20 to 25 cents a quart box, 35 to 40 a quarter peck, \$1 to \$1.50 a half bushel and \$2 up and a bushel, depending on variety, size and quality.  
Other Current Prices  
Tomatoes generally were 20 cents a quart box, \$1.25 to \$1.50 a half bushel, with variations for quality. Apples varied in price from 20 to 30 cents a quart, 50 to 55 cents a half peck. Generally apples were larger and appeared of better quality than in prior weeks.  
String beans were 20 cents a quart, two for 35 cents, pumpkins were ten cents apiece, egg plants 15 cents apiece.  
Plums were 20 to 25 cents a box; lima beans, 30 to 40 cents a pint, 70 to 75 cents a quart; squash five and 10 cents; cabbage, five cents a pound; lettuce, 10 cents a box; carrots, 10 cents a bunch; crabapples, 35 cents a quarter peck, 65 cents a half peck; butter, 70 cents a pound.  
Chicken continued at 55 cents a pound; pepper were five cents apiece, three for 10 cents; beets were 10 cents a bunch, three for 25 cents; cucumbers were two for five cents to five cents apiece depending on size. Cream was 40 cents a pint; cup cheese, 25 cents a pint; cottage cheese, 20 cents a pint; potato salad, 25 cents a pint. Bread, rolls, pies, and cakes were in an abundance with prices depending on size.  
Newlyweds Mr. and Mrs. James Phelan, formerly of Upper Darby, Pa., have moved into their new home opposite Mount St. Mary's College on Faculty Row Friday. Mr. Phelan is basketball coach at the Mount.

# J. Blaine Bushey

(Continued from Page 1)  
the name of Brysonia School. He taught four years in Franklin Twp. and then two years at Arendtsville, just before his retirement.  
When Bushey began teaching the pay was \$26 a month and the school term was 6½ months and there were 56 pupils in the eight grades of the school. He walked the distance from his farm in Franklin Twp. near what is now the South Mountain Fairgrounds, to the Excelsior (Brysonia) school. Across the fields it was "about a mile and a half" and the snow never got so deep that it kept the teacher from reporting each winter morning.  
His training as a country school teacher included the usual elementary, eight-grade, course in Franklin townships one room schools, plus instruction in the summer school held at Arendtsville by Irvin Taylor, plus Shippensburg State Teachers, then Shippensburg Normal.  
Family Of Six  
He found Shippensburg such an excellent school that four of his children also became graduates of the institution.  
As his sons (he and his wife, the former Anna V. Deardorff, daughter of the late Jacob, had five sons, and one daughter) grew older, another farm was added to the first, with the "boys doing most of the work," their father recalls.  
Two of his sons, Warren and Blaine Jr., followed their father as farmers. The daughter, Mildred, followed her father in the teaching profession, and now teaches at Arendtsville. Norman, the eldest son is operating a restaurant and is a mailman in Delaware, the youngest son, Charles, is an office worker at C. H. Musselman company and John helps out both on the farms and at home.  
Bushey was one of the originators of the South Mountain Fair, more than 30 years ago, and still remains, as a member of the grounds committee, on the official fair family. For years he was in charge of the school exhibits at the fair.  
He is proudest of his church work. For many years he was Sunday School superintendent at the Arendtsville Lutheran Church, and for 50 years he has been a Sunday School teacher. He currently is a teacher of the Bible Class for older men, which includes many of the more prominent members of the Arendtsville community and which Bushey terms as "one of the best classes I have ever taught."

## First Horse Show By Carroll Adams Riding Club To Be Held Sunday At Kingsdale, Add Classes

The Carroll Adams Riding Club will hold a horse show on Sunday, beginning at 12:30 p.m., on the Kingsdale carnival grounds, about two miles west of town, on the Taneytown Rd. Final plans were completed for the horse show at the September meeting of the club on Thursday evening at "Sunset Hill Farm," near town, when 34 persons were present.

At the meeting, it was decided to have several classes in addition to the 12 originally planned, to be considered for awards at the show. The twelve classes which the club first chose are lead line pony class, for which there is no entry fee; warm up jump, three feet six inches, to be raised in case of tie; three gaited saddle horse; children's horsemanship class, up to 16th birthday; treasurer horse class, for club members only; open walking class; pair class; open Western class; five gaited; open pleasure horse class; open jumping and open Western trail. The additional classes are planned as a surprise.

There will be a first prize award in each class, and four ribbon awards in addition. There is a one dollar entry fee, and admission to the show will be fifty cents. In case of bad weather, the show will be held on Monday, Labor Day, at the same time. Club members are requested to wear uniforms. Mrs. Wilmer Barnes will be in charge of refreshments and it is planned to have homemade cherry tarts and donuts. Members have been preparing the ring for the show during the past two days.

Four new members were welcomed into the club at Thursday's meeting. They are Ivan Kindig, David Crouse, Leroy Shultz and Hubert Bailey. Visitors at the meeting to enjoy the refreshments and horse tales, were A. H. Good, Gettysburg; Mrs. Almond, Harrisburg; Joe Bailey, Thurmont; Joyce Barnes, and Alvin Duvall, who will serve as master of ceremonies for the horse show. Refreshments were served by Lewis Lippy and Leroy Lippy. The next meeting will be held on Thursday, October 7.

**Announce Meetings**  
The weekly meetings of the Junior

Fellowship of Centenary Methodist Church will be resumed on Monday evening, 7 o'clock, at the parsonage. The quarterly meeting of the Friendship Circle Sunday School Class of St. Paul's Lutheran Church will be held on Monday evening.

Mrs. Dorothy Burgoon, Mrs. Elsie McCall, Mrs. Virginia Boyd and Mrs. Anna Rebert will serve as hostesses at the September meeting of the Ladies' Auxiliary of the Alpha Fire Company on Monday at 8 p.m., at the engine house.

**Garden Display Planned**  
A garden display and food sale will be held in connection with the first fall meeting of the Woman's Community Club of Littlestown and vicinity on Wednesday, September 15, at 7:45 p.m. in the POS of A Hall, E. King St. Each member is requested to take an article for the display or for the food sale. The finance committee is planning two money making projects for the 1954-1955 club year and the first is the food sale at the September meeting. The second will be a food and fashion review to be held in October with Mrs. Chester S. Byers and Mrs. Robert H. Miller as co-chairmen.

The program committee for the September meeting is composed of Mrs. Harry T. Harner, chairman, Mrs. Carroll E. Arter, Mrs. Nevaeh A. Crouse, Mrs. Walter F. Crouse, Mrs. Robert Eckenrode, Mrs. William H. Marshman, Mrs. Howard Myers and Mrs. H. Dewey Strevig. The hostess committee includes Mrs. John H. Flickinger, chairman, Mrs. Cloy L. Crouse, Mrs. James W. Fager, Mrs. Curvin Hollinger, Mrs. Richard A. Maitland and Mrs. Melvin A. Miller. A film on "Sherwood Gardens" will also be featured on the program on September 15.

The September meeting of the Loyalty Sunday School Class of St. Paul's Lutheran Church will not be held on Monday, Labor Day, but will be held Tuesday at 7:30 p.m. in the church social hall. The hostesses include the members of Group Four, Mrs. Howard Trostle, chairman, Mrs. Henry E. Waltman, Mrs. Charles Benner, Mrs. Esther R. Wolfe, Mrs. H. Dean Stover, Miss Beulah Wintrod, Miss Mary Wintrod, Mrs.

### Stores To Close

Marvin F. Breighner, president of the Littlestown Chamber of Commerce, has announced that a majority of the community stores will be closed all day on Monday, Labor Day. The State Liquor Store will also be closed. The stores will remain open on Friday evening, September 10.

The Littlestown State Bank and the Littlestown National Bank will not transact any business all day Monday, in observance of Labor Day, a national holiday.

Clarence L. Schwartz Sr., Littlestown postmaster, has reminded patrons of the local post office that on Labor Day there will be no regular mail deliveries by carrier. Only perishables and special deliveries will be taken to their destination. There will be no window service at the post office. However, mail will be received and dispatched as usual on Monday.

**Lions Hear Of Convention**  
The first September meeting of the Littlestown Lions Club was held on Thursday evening in the social hall of St. John's Lutheran Church, with the new president, Sterling J. Wisotzky presiding. A report on the Lions State convention was given by Erwin A. Rebert and reports on the International convention, held in New York City, were given by Mr. Rebert, President Wisotzky and Harry T. Harner. Films on the 1953 college football games were shown by John D. Basehoar. One guest, Airman Richard E. Wolfe was present.

**Home On Leave**  
A directors meeting of the Lions followed the dinner session, during which time the bill for one half the transportation costs \$30, was ordered paid for the local school patrol's annual trip to Washington, D. ## Trinity Lutheran Church Will Dedicate Education Building At Special Sunday Services

Trinity Evangelical Lutheran Church, Taneytown, will dedicate its new Parish Education Building with special services on Sunday morning at 10 o'clock, according to an announcement by the Pastor, the Rev. Glenn L. Stahl. The Rev. Dr. J. Frank Eife, D.D., President of the Evangelical Lutheran Synod of Maryland, will be the speaker for the services of dedication.

Other services will include a Community Night Service Tuesday, at 8 o'clock. The Rev. Dr. W. V. Garrett, of Sea Isle City, N. J., former pastor of Trinity Church, will be the speaker. Ministers of the other churches in the community will participate in the service. On Thursday evening at 8 o'clock the series will be concluded with a congregational fellowship social.

### Two-Story Addition

The new addition to Trinity's facilities is a two-story, brick and cast stone building, 43 by 87 feet,

designed for parish education purposes. This is the fifth building program undertaken by Trinity Congregation during its long history. From the early beginning until 1811 the congregation worshipped with the Reformed group in a union church. The first building to be used exclusively by the Lutheran Congregation was a brick building 35 feet by 45 feet built on the present site and dedicated on September 12, 1813. Major additions were subsequently dedicated on May 29, 1841; October 29, 1871, and May 9, 1897. Work on the present structure was begun in the summer of 1953.

The congregation of 550 communing members has contributed more than \$82,000 in cash toward the building program to date, most of which has been given since 1950 when definite building plans were begun. Arrangements have been made to amortize the remaining indebtedness over the next few years.

## WOMAN DIES FROM BURNS

Mrs. Anna M. Hilbert, 75, Hanover, died at 10:40 a.m. Friday in Hanover Hospital of severe burns received the day before when her clothes caught fire while she was cooking the evening meal.

Deputy Coroner Philip R. Ness said death was caused by first, second and third degree burns of her face, neck, chest, both arms and right leg, and shock. He closed the case after declaring the woman's death accidental.

Mrs. Hilbert was found unconscious on the floor of her kitchen about 5:30 p.m. Thursday by her husband, Harvey Hilbert, when he returned from work, Ness said. She had been alone when the accident occurred, Ness said.

The housewife's apron apparently had been ignited about a half hour before by the stove's gas flame and her clothes were burned from her body, the deputy coroner reported. She was taken to the hospital in the hospital ambulance.

Mrs. Hilbert was a member of Sherman's Reformed Church, near Hanover. Surviving, besides her husband, are: Three children, Edgar Hilbert and Mrs. Grace Morris, both of Ardmore, and Mrs. Mabel Mentzer, Mt. Alto; seven grandchildren, two great-grandchildren, and a step-sister, Mrs. Laura Bowers, Littlestown.

Funeral services Monday at 10 a.m. at Feiser Funeral Home, Hanover. Rev. Harvey Light, pastor of West Manheim Reformed church, will officiate. Interment in Christ Church Cemetery, near Littlestown.

Market steady on fryers. Light to moderate offerings cleared well and appeared to have satisfied trade needs. While demand was fair for young chickens, trading moved very slow with one lot sold for 15c, and a few sales made high as 20c. Some supplies were returned to the shippers. Wholesale selling prices per lb. in Baltimore:

**BROTHERS OF FRYERS**—3 lbs. and over, 28-30c, mostly 29-29½c.  
**ROASTERS**—4 lbs. and over, 30c.

**BALTIMORE**  
**CATTLE**—100. Not enough any class cattle sold to establish a trading basis. Late yesterday fairly broad clearance sausage bulls effected at mostly 50c lower prices, spots off more. Practical top for commercial grade bulls, \$14.  
**CALVES**—None. Few odd-head lots held from yesterday cleaned up at nominally steady prices. Odd lot utility and good vealers and slaughter calves, \$11 to \$19. Other culls down to \$7.

## PAST GRANDS HOLD MEETING

Sixty persons attended the 237th meeting of the Adams County Past Grands Association held on Thursday evening with Valley Home Lodge No. 740, Independent Order of Odd Fellows, Fairfield.

Raymond Miller, Fairfield, president, conducted the session which opened with the group singing of "America." Mrs. Ernest R. Sentz, Littlestown, was pianist. The invocation was offered by the Rev. V. C. Schumacher, Fairfield, who was also speaker for the evening. Remarks were heard from John Settle, district deputy grand master of the County Association. The speaker was introduced by Edgar Glenn, chairman of the entertainment committee. Remarks were made by William Corbin, president of the Carroll County Past Grands Association.

Preliminary plans were discussed for the county initiation on November 6 and members are requested to make a special effort to secure new candidates prior to this time. At the conclusion of the business, the group sang "Blest Be The Tie." Refreshments were served by the host lodge to members of the following lodges which were represented: Gettysburg Lodge No. 124, Gettysburg; Sylvania No. 613, Littlestown; York Springs No. 211; Taney No. 28, Taneytown; Mount Zion No. 47, York; Valley Home No. 740; Mary Gettys Rebekah, the Taneytown Rebekah and visitors.

The next meeting of the Past Grands will be held on Tuesday,

## MORE SCHOOLS

(Continued from Page 1)

He added that Adams County, which has experienced an extensive building program in many districts over the last several years is also in the situation where many youngsters are crowded and some are still in antiquated or temporary quarters that need replacement.

Not only is there ever increasing need for new schools, but there is a need for new teachers as well. Riegle said that 40 per cent of the present teachers have taught for 15 years or more and new positions and vacancies have had to be filled by experienced teachers rather than by beginning teachers because of the scarcity of college graduates desiring to teach. "The result has been an ever increasing need for young teachers that will become more and more apparent within the next few years as older teachers retire and more classrooms are built."

Riegle concluded: "The stirring sight of myriads of happy, hopeful boys and girls invigorated by three months of joyous vacation is an inspiring spectacle at the opening of school, but their needs present a challenge to parents, teachers and other citizens concerned with their welfare, the challenge to guarantee them their natural birthright of good teachers and healthful and wholesome buildings in which to live and learn."

October 12, with Gettysburg Lodge No. 124 as the host group.

TEN YEARS AGO

Half Holiday May Continue: A recommendation that Gettysburg merchants continue the practice of closing their places of business Thursday afternoon was adopted by the retail merchants committee of the Chambers of Commerce meeting Friday night at the store of Roy W. Wentz, chairman.

The motion to continue Thursday afternoon closings was adopted by unanimous vote of the committee members present and the merchants individually expressed their approval of the practice. Wentz stated. As a result of this action the closing will probably continue throughout the winter, he said. The stores had been closing on Thursday afternoons during the summer months previously.

James A. Aumen Leases Tea Room: Announcement was made today that Charles T. Ziegler, proprietor of the Blue Parrot Tea Room since 1920, has sold his business and leased the tea room and tap room on the second floor to James A. Aumen.

Mr. Aumen reopened the tap room Monday morning and announced that he will reopen the restaurant later as soon as extensive remodeling and repair work is completed.

The new manager said the business will continue to operate under the Blue Parrot name.

Lt. W. W. Kane Wed August 12: Announcement was made today of the marriage of Miss Jean Elizabeth Bettman, daughter of Mr. and Mrs. John M. Bettman, of Ramsey, N. J., to Lt. W. Wallace Kane, son of county Democratic Chairman Carl W. Kane and Mrs. Kane, of Arendtsville.

The couple was married August 12 at Raleigh, N. C.

The bride, who attended Gettysburg College for two years, was employed by the Wright aviation company.

Lt. Kane is a graduate of Gettysburg College, where he was a prominent athlete, starring in baseball, soccer and basketball. He is at present stationed with the paratroopers at Camp McCall, N. C.

GOP Endorses Mrs. Sheffer As New Clerk: Mrs. Emma E. (Sachs) Sheffer, widow of Howard W. Sheffer, clerk of the courts of Adams County, who died Saturday evening after suffering a fracture of the skull in a fall at his court house office, is being recommended by the Republican organization in Adams County for appointment to fill the vacancy caused by her husband's death.

The office will be filled by appointment by Governor Martin. The appointive term will end December, 1945, with a successor being named at the general election in November, 1945.

Mrs. Sheffer has the personal endorsement of County Chairman John H. Baschore and the unanimous approval of the members of the GOP executive and advisory committees in the county.

Political leaders pointed out that the shift of the clerk election to 1945 will bolster an "off-year" county election that usually finds the candidates for county treasurer "carrying the ball" alone—both as to campaigning effort and financial contributions. Now there will be two important county offices at stake on the "off" years.

The clerk and treasurer races may be overshadowed in 1945 by the fact that it is the year for the election of a president judge of the county courts.

If Mrs. Sheffer is appointed, she will be the first woman ever to hold a major county office, although there have been women deputies in most of the court house posts.

Youth Solos On His 16th Anniversary: Warren R. VanDyke, son of Mr. and Mrs. Clair VanDyke, Gettysburg R. 5, is the youngest student to solo at the Gettysburg School of Aeronautics, Leon Witzel, instructor at the local airport, said today.

Young VanDyke, who is too young to take the pre-flight course at the high school, started flying instructions at the airport about two months ago. Wednesday evening, on his 16th birthday, he soloed for the

## Today's Talk

**REPLACE THOSE REGRETS**  
Nothing is so futile as age-old regrets. Yet people keep digging them up, or taking them from the garret of the mind, trying to give life to something that long ago expired. There is nothing constructive to regrets. We must rise above them, replacing them with acts that we feel sure we will not regret.

It is fortunate that most things in life have a replacement value and possibilities. And the sooner a substitute is found to replace a regret, the better. What possible good can come from habitually regretting? "I wish I had known," "I wish I had been told," "If I had only taken your advice." How common are the expressions of regret on the part of us all!

Learn to regret nothing! Your mind is your own. Make it your master. Do not allow yesterday's to trip you up. Glory in today and its opportunities. When you lose, try to replace that loss by a win! It can be done, for it has been done by others thousands of times. There are many things in life that, when they are gone, are gone forever, like a neglected opportunity, or perhaps an offered love. But do not try to nourish unhappy memories. Replace all regrets as soon as you possibly can. Believe that the best is yet to be!

One thing I liked about what Somerset Maugham said in his book "The Summing Up" was that he would not want to live his life over again, that he had taken life in its stride, the bitter with the sweet, and all had contributed to the pattern that he had arranged for himself. He felt that life had been fairly balanced for him. I believe it can be for us all if we will have a personal philosophy and live it out bravely, intelligently, and cheerfully. What a multitude of blessings come to us all! "Without money and without price."

## Just Folks

**UNHANDY MAN**  
When grandpa needed hook or shelf,  
My grandpa did the work himself.  
He was a skillful handy man  
With anything that turned or ran.  
The cuckoo clock he could repair;  
Restore with ease a broken chair.  
A gadget-minded grandpa he,  
Who left no fixing task to me.

My grandpa had a cellar bench  
At which he worked with plane and wrench.  
I know he knew his brace and bit  
And frequently made use of it.  
But when he died, 'tis sad but true,  
He couldn't leave me what he knew,  
And I've remained that useless chap  
Who cannot stop a dripping tap.

I'm the unhandiest of men.  
I cannot fill a fountain pen  
Without permitting ink to squirt  
Upon my newly laundered shirt.  
Although I use them, it is strange  
Typewriting ribbons I can change.  
I can't perform my grandpa's tricks.

There's nothing broken I can fix.

## East Berlin

**EAST BERLIN**—Mr. and Mrs. William A. Martin have moved from near Abbotstown to the Withers cottage, along the Cone-wago, which they bought and are remodeling into a year-round home. The son born August 8 to Lester E. and Mary-Ida Mummert Brown has been named Michael.

Such a large quantity of peaches was donated by fruit-growers to Paradise School for Boys that nearly 600 gallons have been canned and many crates that could not be canned in time to prevent possible spoilage were presented to parishioners wishing them for their own use by the chaplain, Father Francis L. Mignot.

Mrs. Cleason E. Smith has been entertaining her daughter, Mrs. Fred V. Baker, with her husband and sons, Michael and Bill, Rahway, N.J., who have also been visiting Abbotstown relatives.

Mrs. Mary Brown, who left her apartment at the home of Mrs. Harry Lory several weeks ago to reside with a sister in Hanover, was a visitor to town last week.

Dr. Allen W. Kelly, local physician, who was seriously ill, is now able to attend to his regular round of professional visits.

Mr. and Mrs. Luther H. Jacobs joined a party of relatives at an outing recently at the South Mountain cottage of Mr. and Mrs. Harvey Mummert, residents of Nashville.

Last Saturday \$5,800 was paid by David E. Border for the Amos Jacobs house on West King St., where he has resided for some years and will continue to live. The house was offered at auction Saturday along with the adjoining lot for which Mr. Border paid \$1,900.

Miss Margaret Ann Moul, daughter of Mr. and Mrs. George W. Moul, who has completed a summer course at Gettysburg college and will return later this month to Juillard School of Music, New York City, was guest soloist at a York church, Sunday.

Mrs. Paul Lerew Sr., has left to spend a month in Groton, Conn. with a daughter, Mrs. Homer S. Bloodworth.

Mr. and Mrs. Harry B. Nell and sons, Kenneth and Wayne, with his brother, Fred, wife and daughter Anita, spent several days on vacation recently at Rehoboth Beach, Del.

The compulsory "driver-education" course for students of the local high school who have become 16 years of age without having learned to operate a car in accordance with state examination standards, is to continue this year, with a car furnished by Mummert's Garage.

Miss Bettie M. Tierney spent a day last week on a motor trip to Carlisle.

Public card parties by the Ladies' Auxiliary of the fire company will begin Saturday evening, September 11.

The school buses used within recent years to transport children of this area to and from Paradise Parochial School are being overhauled and put into condition for the opening of the new term Tuesday, September 7 at the Paradise School building.

The marriage of Miss Margaret Ann Carroll, elder daughter of Mr. and Mrs. Edmond T. Carroll, near Paradise School, to Robert Poist, New Oxford, is scheduled for Saturday, September 11. The Carrolls are

former New York City residents, who have lived for some years on the Gregory Foster farm. The couple are recent graduates of Delone Catholic High School.

## New Emergency Truck

McSherrystown Fire Company's new emergency truck is shown Friday afternoon immediately after it had received its lettering by Eugene S. Sickles here. The truck is fully equipped with such items as a portable power plant, portable lights, electrical connections and other major and minor equipment used by firemen in fighting fires. It will make its first public appearance Monday in the parade held at McSherrystown in connection with the Adams County Firemen's convention.

## Dillsburg

**DILLSBURG**—Mr. and Mrs. Harry E. Heffner, Dillsburg R. 1, entertained the David S. Auchey family at their home Sunday for the annual family reunion.

Pvt. Ernest C. Bucher, Jr., Dillsburg R. 2, who entered the Army early this summer, has completed his basic training at Camp Gordon, Ga. Pierson Wolf, with his wife and son, Chester, near Victory Schoolhouse, spent a week in Ohio with an elder son, Richard, and family.

C. Baker Bernhart, manager of the York County Agricultural Stabilization and Conservation Administration, has announced that all farmers of the nearby York County areas may participate in the election of Agricultural Stabilization committees September 13 through 21. In Carroll, Franklin and Monaghan Twp., the chairman is Eugene Cook, and committee members are Harry Masemer Jr. and George Harbold, all of Dillsburg R. 1. Richard Deardorff, Dillsburg R. 1, and E. E. Orner, Dillsburg R. 2, are serving on committees from Washington and Warrington Twp.

Alfred V. Powley, Dillsburg R. 2, has had his driver's license restored. The first meeting of the new season of the Warrington Neighbors' Federation Methodist Church, where the first discussion on the seasonal theme "Unity Without Uniformity" was given, Mrs. Paul D. Bodwell, Mrs. E. W. Gladfelter, Mrs. Philip Moyer and Mrs. Richard Ridgeley were hostesses.

Among sites designated for the special York County registration Friday, September 10, for those wishing to vote in November, are the Siddonsburg Schoolhouse, Mon-

aghan Twp.; the POS of A Hall, Kralltown; the Community Hall, South Baltimore St., Dillsburg, and the Community Hall, Wellsville.

Stirman Valley, Ill., who have been on a motor trip to Adams and York Counties to visit relatives and take part in family reunions, also visited during the week with friends in the Two Churches area from which they went west with their family 10 years ago.

Mrs. Kathryn Fidler, near Victory Schoolhouse, has become a grandmother for the third time during the past year. Her son and daughter-in-law, Mr. and Mrs. Wayne Fidler, became parents of a daughter at the Hanover Hospital August 25.

## HUGE FOREIGN AID MEASURE IS SIGNED BY IKE

**DENVER (AP)**—President Eisenhower's vacation headquarters today announced his approval of a bill providing \$2,781,499,816 in foreign aid, and of another measure stripping citizenship from those convicted of advocating forceful overthrow of the government.

The chief executive hailed still

another bill he signed as the first step since 1952 toward "correcting injustices" in U.S. immigration policy.

The President's signing of those three bills and one other into law—plus pocket vetoes for three others—completed action on the 513 measures he brought along to Colorado when he started his working vacation here two weeks ago.

All of the bills were passed by the 83rd Congress during the closing days of the session.

Eisenhower acted on the last of them late yesterday at the home of his mother-in-law, Mrs. John S. Doud.

**Boosters Free Nations**  
The appropriation bill carrying foreign aid funds is designed to bolster the free nations of the world against any threat of Communist aggression. Most of the \$2,781,499,816 total—which is \$687,049,989 less than the administration asked—is earmarked for military aid.

The citizenship-stripping bill is part of the "package" subversion control program Eisenhower submitted to the 1953 session of Congress.

The President said last week that the bill—together with other measures now on the law books—provides the government with "much more effective weapons to help destroy the Communist menace."

Among the other new laws are those outlawing the Communist party, providing for a crackdown authorizing the death penalty for peacetime espionage.

## Doby's 30th Homer Wins For Indians In Opener Of Series With Chisox; Yanks Win 9-2

By BEN PHLEGAR

Associated Press Sports Writer  
Larry Doby had to travel all the way to Chicago but he got his revenge on the New York Yankees.

The home run-hitting center fielder of the Cleveland Indians, who failed badly at the plate during the recent New York series, personally punctured the latest Yankee pennant strategy by driving in 2-3 of the runs as Cleveland whipped the Chicago White Sox 3-2 last night.

This was the first of six games the Indians have left with the Chicagoans and the Yankees were hoping they had softened up the Tribe enough to allow for a White Sox sweep.

### "Too Good To Fold"

The Yankees, 3½ games behind, need all the help they can get to keep alive their chances for a sixth straight pennant. Manager Casey Stengel figured it might be easier for Chicago after his lads had slowed down the Indians a bit.

"Those fellows are too good to fold," Casey admitted reluctantly, "but maybe if we win two they'll have trouble getting started right away."

But Doby didn't agree. With the score tied 1-1 in the fifth he singled home Bobby Avila. And when Jim Rivera's home run tied the score in the sixth, Doby followed with his 30th homer high into the right field stands in the seventh.

### 12 For Bob Feller

The game-winning blast came just after the Yankees' final score had been posted on the Comiskey Park scoreboard, showing a 9-2 triumph for the New Yorkers at Washington.

Bobby Feller, with help from Don Mossi and Mike Garcia, won his 12th game. Virgil Trucks, trying for his 19th victory, was the loser.

The New Yorkers pulled four games in front of Brooklyn in the National League play with a 7-4 verdict over the Dodgers. Milwaukee shaded Cincinnati 3-2 in 12 innings and stayed 6½ behind.

### Philis Take Pair

In other action the Chicago Cubs defeated St. Louis 4-3; Philadelphia won a pair from Pittsburgh 7-1 and 10-2; Boston swamped the Philadelphia Athletics 11-1 and Detroit edged Baltimore 4-3 in 10 innings.

The Yankees came from behind with five runs in the fifth inning and added three for insurance in the ninth on a pinch double by Eddie Robinson.

With the score tied in the fifth, two out and runners on first and third, Washington shortstop Jerry Snyder elected to try for a force play at second on a bouncer by Yogi Berra. Mickey Mantle beat the throw, a run scored and three more Yankees hits produced three more runs.

The victory was the Yanks' 11th of the season over the Senators and preserved Stengel's record of never having lost a season's series to any team since he became manager of the Yankees in 1949.

Relief pitcher Hoyt Wilhelm came through with his first hit of the year to drive in the run that put the Giants ahead to stay against Brooklyn. Given a chance to bat for himself with two on, two out and the score tied in the seventh, Wilhelm smashed a single through the middle. The Giants added two more in the eighth to register their first success over the Dodgers since early July.

Gil Odges hit his 37th home run for Brooklyn but nobody was on base. Whitey Lockman's homer on the first pitch in the first inning opened the Giants' 15-hit attack.

### Braves Keep Going

Home runs kept Milwaukee's faint pennant hopes alive. Del Crandall homered in the ninth at Cincinnati to tie the score. Jack Dittmer homered in the 12th to win it. The Reds' runs scored in the eighth on Ted Kluszewski's 42nd homer with a man aboard. Big Klu leads both leagues in home runs.

Ted Williams moved up a notch in the table of all-time home-run hitters with his 362nd at Philadelphia. He passed Joe DiMaggio and now is in fifth place behind Babe Ruth, Jimmy Foxx, Mel Ott and Lou Gehrig.

### Hammer Busy

Granny Hamner, storm center of the recent flare-up on the Phillies, collected four doubles and a single in Philadelphia's sweep at Pittsburgh. The off-and-on Phils now have won five straight.

The Cardinals lost their sixth in a row when the Cubs came up with two runs in the ninth on a double by Gene Baker. The slumping St. Louisans are only 3½ games ahead of the improving seventh-place Cubs.

Baltimore scored three runs in the eighth at Detroit to tie the score but the Tigers won out in the 10th when Bill Tuttle singled home Hoot Evers.

## QUININE PILLS WIN MATCH FOR H. RICHARDSON

By WILL GRIMSLEY

FOREST HILLS, N. Y. (AP)—Young Ham Richardson at last has come of tennis age and quinine pills may be the medicine Uncle Sam needs to win back the Davis Cup.

"Quinine pills did it—they brought me through that fifth set," the good-looking Tulane University law student said after he had eliminated Australia's No. 1 ace, Lewis Hoad, in the quarter-finals of the National Tennis championships yesterday.

The victory, a 3-hour struggle won by the scores of 6-4, 7-5, 11-13, 4-6, 6-3 stamped Richardson as a good bet to carry one of the American singles assignments against the Australians in the Davis Cup challenge round at Sydney next December.

### 100 Per. All The Way

"A doctor told me to take quinine tablets," Ham said. "I'd been accustomed to getting leg cramps in long matches. So I could only go at an 80 per cent pace when things got tough. Now I can go at 100 per cent pace all the time."

Richardson rests today while the remainder of the field catches up with him in the semifinals.

Vic Seixas of Philadelphia, seeded No. 2, plays Tom Brown of San Francisco for the right to meet Richardson in the bottom semifinals.

The upper bracket sends defending champion Tony Trabert against Rex Hartwig of Australia and Art Larsen against Aussie Ken Rosewall. These matches are all on today's schedule along with a single women's quarter-final match involving Darlene Hard of Montebello, Calif., and Dennis Bradshaw of San Diego, Calif.

## GHS SQUAD, BACK FROM NAWAKWA, SCRIME TODAY

Gettysburg High School's football squad returned Friday evening after a week of drills at Camp Nawakwa and began workouts this morning on the high school field in preparation for the opening game next Friday evening at Westminster.

This morning the Warriors were scheduled to scrimmage Don Seibert's Middletown High School squad. Middletown, a new member of the South Penn Conference, will enter football play as a full-fledged conference school in 1955.

Coach Howard Shoemaker said today he was satisfied with the work of his inexperienced squad during its stay in the mountains. Despite doing "fairly well," the squad has a "long way to go," according to the coach.

One minor casualty took place at the camp when Richard Stough, halfback, suffered a minor leg injury. He is expected to be ready for next week.

Herb Ruby's Owls will again present a typical big starting team.

According to the probable starting lineup announced by Coach Ruby, the forward wall will average 163.7 pounds per man and will average a shade under six feet in height. The backfield will pack 162.2 pounds per man.

Next Friday's game will mark the sixth meeting between the schools with the Warriors holding a perfect 5-0 record.

### Eastern League

By THE ASSOCIATED PRESS

The Elmira Pioneers are giving the Wilkes-Barre Barons no elbow room in the nip-and-tuck Eastern League pennant race.

The Barons went 10 innings at Reading last night before surrendering the Indians, 4-3. But the Pioneers pulled up five runs at Albany and hung on to defeat the third-place Senators and stay a game behind the pace-setting Barons.

Schenectady whipped host Binghamton, 4-3, while Williamsport split at Allentown. The Grays took the first game, 3-2, and the Redbirds copped the second, 4-2.

## Kerschner Takes Feature Auto Race

By THE ASSOCIATED PRESS

Shorty Kerschner of Reading breezed home under the wire a winner in the 25-lap stock car feature Friday night at Lincoln Speedway, near Abbottstown. Bud Hamilton, Rising Sun, Md., placed second followed by Bobby Abel, Wrightsville, third, and Whitley Kerschner, the winner's brother also from Reading, fourth.

Qualifying heat winners were Vernon Noble, Hanover; Burt Richardson, Lancaster; and Sherry Kerschner. Fred Jones of York triumphed in a 15-lap consolation qualifying heat.

The Pen-Mar Racing Association has added a special Labor Day afternoon stock car racing program with activity scheduled to get underway at 2 p.m. Beginning with Labor Day, a novice will be held in addition to the regular six-event program.

**BOOKMOBILE**

tion of the bookmobile will be made by John A. Hauser, president of the C. H. Musselman Company. It will be accepted for the library by Dean Asquith, vice president of the library board and chairman of the committee arranging for the dedication.

The monthly report by Mrs. Mary S. Wilson, librarian, revealed that a new record for the number of book loans in a single day at the main library was set on a recent Tuesday when the total reached 246. The mark only recently passed 200-level and the previous high was 218, she said. Tuesdays are consistently the busiest days at the main library, she said.

She also pointed out an unusual feature of the monthly circulation report for August at the main library when loans to adults exceeded those to juveniles, 1,273 to 1,264. But when branch and book station totals were counted for the month the totals stood 1,518 to adults and 1,586 for juveniles.

**Space Is Problem**  
Loans last month totaled 3,145 as compared to 2,501 in August of last year. Loans so far this year total 117,133 with 103,033 of those loans made to young readers.

Mrs. Wilson said the converted panel truck that has served the library as a bookmobile since its early days has traveled 2,169 miles so far this year bringing its total mileage for the library to 32,096 miles.

The library's book collection now stands at 19,207. Mrs. Wilson said, and added that space is rapidly becoming a problem at the main library. The old bookmobile could not be unloaded until the new one

arrived because there was no shelf space for the books. The proposed addition is to relieve the space problem, it was pointed out, with plans designed to permit the addition of a second story or extension to the rear in the future as the need requires.

**Gifts Announced**  
Financial reports given the board Friday evening showed a gift of \$75 from the Fairfield Joint School System which brings donations from schools to more than \$900 this year. The gift of \$75 from Howard Y. Musselman and a donation of books worth approximately the same sum also was announced. A book also has been given by the library in memory of Miss Lela G. Hartman. Miss Irene Wolf has given the library a number of books and a statue of Mercury, Mrs. Wilson said.

Mr. Long reported to the board on progress being made with the grading of the area to the rear of the main library building, which is being converted into a parking space. Rough grading is done, he said.

He added that stone for surfacing the area has been offered without charge by John D. Teeter and Sons if the library will have the stone hauled. The borough will be asked to do the hauling. Metropolitan Edison will place pole for lights to illuminate the area and only heavy cable for border guard rails remains to be secured, he said. He estimated that there will be parking space for 60 cars there.

President William M. Lott presided at the meeting with Mrs. Wilson, the board secretary, and these directors in attendance: William C. Darrah, Mr. Asquith, Rev. Nevins R. Frantz, Mrs. C. T. Ziegler, Mrs. Ira Henderson, C. P. Keefer, Mrs. Clair Ford and L. S. Long in attendance.

## Junior Hi Will Open Grid Drills Next Tuesday

By THE ASSOCIATED PRESS

A call for candidates for the Gettysburg Junior High School football team has been issued by Ned Brownley, who will coach the squad for the first time.

All candidates are asked to report Tuesday afternoon at 3 o'clock at the new gym where outfits will be donned for the opening workout.

The Junior High team will open its seven-game season Thursday evening, September 30, against the Delone Freshmen here.

**ARCHERS OPEN TOURNEY**  
STATE COLLEGE, Pa. (AP)—More than 100 archers from all sections of Pennsylvania opened competition today in the 20th annual target championship of the Pennsylvania State Archery Assn.

At stake in the three day tournament will be men's title, held by Dimitri Erdely, Erie, western regional champion, and the women's title, held by Betty Gregg, Chester.

The record for 18 holes in PGA tournament play was established by Al Broch in the Texas Open in 1951. He shot a 60 in the third round but was fourth at the finish. Four other pros also have had 60's.

Wyoming had 3,714 applicants for the 652 moose and mountain sheep hunting permits which the state grants for the 1954 season.

## Puncture At High Speeds Often Not Noticed Until "Slowdown;" Double Tube Or None At All Used Chiefly

By **FREDERICK C. RUSSELL**  
One trouble with the accident picture is that too many drivers insist on their rites.

**Meeting The "Slowout"**  
Quite the most important trend in tires currently is the switch from the dreaded blowout to what the trade calls the "slowout." Instead of sudden escape of air when there is tire failure the trend now is toward an arrangement wherein the tire loses air slowly, thus giving the driver ample opportunity to know that something is wrong.

One method for accomplishing this is to use a double inner tube. Another, oddly enough, is to eliminate the tube altogether. In the former a puncture that lets the main volume of air escape can occur while the extra inner tube maintains enough air to prevent the wheel from dropping to the ground. In the tubeless arrangement there is a self-sealing inner liner which helps slow down the "flat."

Complicating the situation is the fact that at high speeds a tire tends to hold up because of the centrifugal force on its tread the speed of a should be of high quality and preferably the same brand as that "slowout" is always indicated by the car's behavior. If the trouble is with a rear tire the car will have a marked tendency to wander or sway. If the trouble is up front there will of course be marked pull to the right or left felt through the steering wheel.

**Keeping Tabs on Choke**  
While most car owners are somewhat awed by the automatic choke at least it is fairly simple to determine whether or not it is working properly. If, for instance, the engine pops back through the carburetor when you accelerate it during the warm-up process the choke opens up too soon. But if the engine starts to buck, the choke valve hasn't opened up enough and

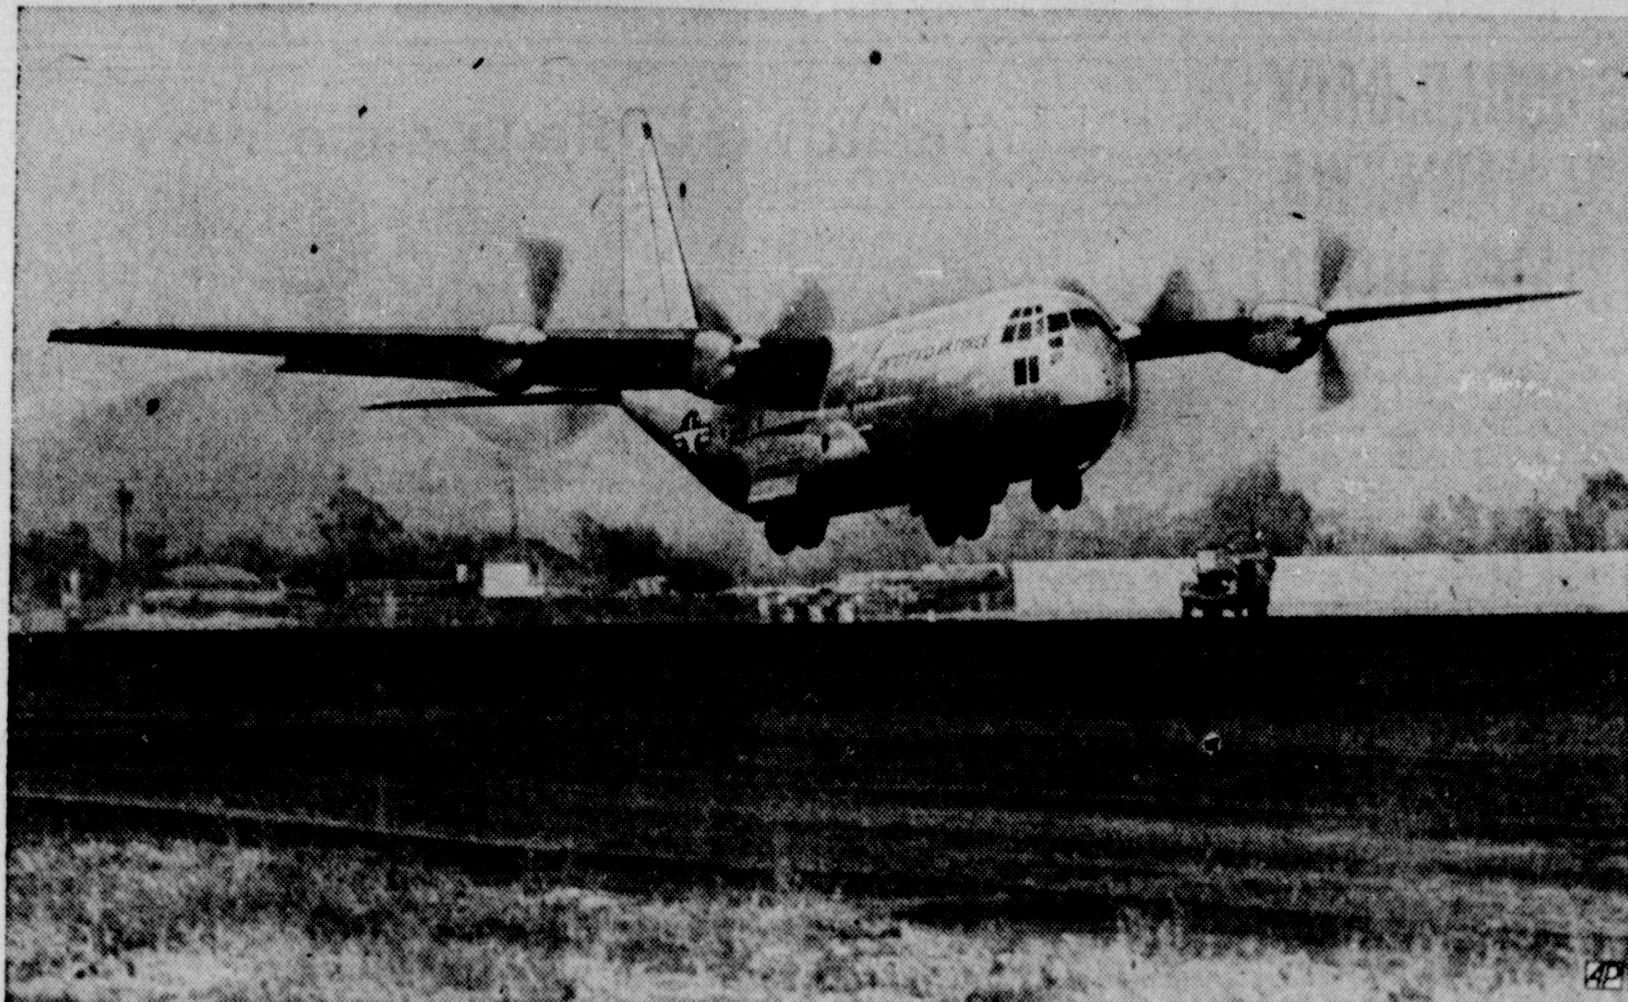

the engine is suffering from indigestion.

**For Future Reference**  
To those who may feel the urge to bleed the brake lines on their cars, if equipped with power assistance, be sure to note that the work calls for special procedure. Before the brake lines themselves are bled off the two bleeders on the power cylinder should first be opened and the cylinder bled off. And once again don't forget to observe the rule never to re-use bled off fluid. The new fluid should be of high quality and preferably the same brand as that originally used in the system.

**Mechanic Joe Speaking:**  
"When brakes fade with only a reasonable amount of application the chances are that the drums are to blame. One reader tells me his brakes are good for only one vigorous stop. That sounds serious because it means that unless he allows the brakes to cool and the expanded drums to contract again he probably won't be able to stop quickly enough to avoid an accident."

When drums act this way it means that they have been weakened by too much turning down. Beyond a certain point a warped drum cannot be corrected, and it is always true that after drums have been turned down they are more likely to warp again, leaving it up to the driver to use discretion."

**Misused Power Cosity**  
Tire men are beginning to have their headaches with side tread wear on rear tires and have suggested to me that I might do the motorist a favor by pointing out that much of this is due to misuse of the great surge of power that is now under the hood of so many cars. When the driver of a power wagon steps on the gas the rear axle housing bends a bit so that the rear tires do not roll in a true perpendicular to the road.

**TURBO-PROP PLANE ON FIRST FLIGHT** — Turbo-prop engines lift Air Force's YC-130, new cargo-personnel carrier, in half usual distance, for first hop at Burbank, Cal. Special landing gear permits operation from soft strips.

This distortion of the housing may be further increased by sagging from overloading. While there are corrective braces for this sort of distortion a word to the wise should be sufficient.

**Battery on the Loose**  
You have probably heard of battery boxes having been cracked by overtightening the holder, but now let me tell you of a true story that emphasizes the fact that the battery never should be allowed to be too loose. Failing to observe this rule one reader found that a rough road caused the battery to come loose and fall against the radiator. Before he realized what had happened the cooling system lost so much water the engine went into a sudden fever.

To those who ask me for a listing of the octane ratings of various brands of gasoline I always point out that this information is not made public — that is, not so that it can be of any value to the motorist who wants the facts as of the time he is buying gas for his car. Tests are made and lists are made, but unfortunately this information is stale by the time it gets to the public. Meanwhile octane ratings may have risen or fallen.

**Car Speed Your Cue**  
It is just coming to be realized by many drivers that they can do a lot of tricks with their automatic transmissions, torque converters and overdrives. But I hope they will always bear in mind that the car's speed is the important point when indulging in uses of these devices which the car manufacturers wisely do not talk about in their owner manuals. For instance, while the "low" gear position can be used on one automatic drive, instead of the kickdown on the accelerator for rapid acceleration on hills, the thing has to be done at higher speeds. If the car is traveling below 25 miles per hour at the time of the shift the gearing is too low for comfort and the net result is quite a shock. Likewise in shifting gears without clutching where a car is equipped with simple overdrive the car must be traveling below the speed where overdrive comes into the picture.

If you are driving in the rain in

heavy traffic, if the wipers are not equipped with a washer, and if the windshield occasionally becomes splattered with road dirt from other cars, it will save marring the glass to stop the wipers frequently. Let the rain wash off the windshield and then start up the wipers again. Strange as it may seem I have been behind the glass of some motorists' cars when there actually was a clearer view of the road with the rain cleaning the windshield than when the wiper blades were merely sweeping across a lot of muck.

Incidentally, whenever starting up the wipers allow the glass to become thoroughly wet first. It will save scratching.

**Having Their Troubles**  
Q. My car seems to run rough at a speed of around 28 miles per hour. The universal joints are not worn. I have had the front tires balanced. What can be wrong? W. R.

A. This is not unusual. There may be an unbalanced rear tire. The engine may be going through a speed at which periodic vibration shows up. There may be a loose motor mount. Sometimes it is effective to declutch for a moment.

Q. Do tubeless tires run hotter or cooler than conventional tires with inner tubes? N. M. L.

A. They run cooler because there is no friction between a tube and the shoe.

Q. My car has a rather tricky little crankcase filler pipe filter which should be cleaned out and reoiled occasionally. One side has an opening. I should like to know if this should face the front of the

car or the rear? C. McC.

A. The air intake should face the front of the car. You will find that there is a little ridge in the cleaner cap which makes it impossible for you to install it any other way.

Q. To settle an argument will you kindly let me know if there are any cars with five brakes? K. E. L.

A. Several makes have five brakes. There are the four brakes for the wheels, and a parking brake on the propeller shaft just behind the transmission. On the Franklin car many will remember that the service brake was the one on the propeller shaft.

Q. There is a peculiar noise in the engine of my car. It seems to be a sort of rattle at times, but not always or at all speeds. The air cleaner is tight enough. Valve cover plates are not loose. It doesn't seem to be a mechanical condition. R. N. K.

A. While you are checking into the less considered things under the hood take a look to see if there is a loose fan belt.

Q. I have what mechanics call a vapox lock condition, whenever the engine is running a little hot it tends to stall, although recently this is happening even if the engine isn't up to normal running temperature. I have tried different brands of gasoline without any improvement. Have also had a new fuel pump installed. L. L. K.

A. At this point I would suggest replacing that short flexible fuel line which runs between the main fuel line and the pump. It may have an air leak. No fuel runs out but

air is sucked in by action of the pump, thus causing the same effect as genuine vapor lock.

Q. What would cause the dash lights to burn out frequently? N. H.

A. I would check the fuse clips which may be loose. The fuses should fit snugly.

## New Oxford

**NEW OXFORD**—The local Catholic parish plans to carry out its summer custom of holding a "pilgrimage" each Tuesday evening to the grotto of Our Lady of Lourdes at the Catholic cemetery, east of town, to recite the Rosary as a Marian Year project. The pilgrimages will continue each Tuesday at 7:30 p.m. until weather prevents the outdoor service.

Also to continue for an indefinite time in the parish is the service of a Jesuit Father from Woodstock, Md., who is to be sent to the church to arrive in time to hear confessions each Saturday afternoon. Present schedule of confessions each Saturday will be from 4 to 5:30 in the afternoon and from 7 to 8 Saturday evening. The Jesuit Father will also deliver the sermons at the Sunday masses and celebrate one mass.

Mr. and Mrs. Lynne W. Grove are vacationing in Ocean City, N. J., and have taken with them Miss Joan Marie Smith, who will remain there several days.

A class of young people will begin catechetical instruction each Saturday afternoon at the First Lu-

theran Church, with the first class scheduled for Saturday, September 11, under the Rev. Dr. George E. Sheffer, pastor.

The Sodality of the Blessed Virgin Mary, comprising unmarried women and teen-age girls and boys of the local Catholic Church, is scheduled to attend the 7 o'clock mass Sunday morning and to receive Holy Communion there in a body. Special Sodality prayers will be led by the prefect after the Mass.

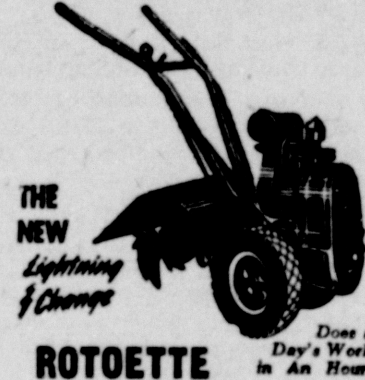

The Women's Club of Nashville, York County, conducted a family outing during the week at "Sleepy Hollow" near here.

DULLES GIVES PLEDGE OF AID IN PHILIPPINES

MANILA (AP) — U.S. Secretary of State John Foster Dulles today pledged that American military forces "would automatically react" if the Philippines should be attacked.

"I wish to state in most emphatic terms that the United States will honor fully its commitments under the mutual defense treaty. If the

Philippines were attacked, the United States would act immediately," Dulles declared.

His statement marked the opening of U.S.-Philippines mutual defense talks preliminary to an eight-nation Southeast Asia Security conference which starts Monday.

**Aims At Guarantee**

The Philippines, which has been insisting on an "all for one and one for all" type of defense pact, was expected to modify its demands if guaranteed strong and prompt U.S. military assistance.

Dulles' statement appeared to be aimed at providing that guarantee. "We expect the Philippines to contribute to its own security to the extent of its capabilities," Dulles said. "The United States will take all practicable measures to maintain the security of the extent of its capabilities," Dulles said. "The United States will take all practicable measures to maintain the security of the Philippines against external attack."

The secretary said the United States would retain its military bases in the Philippines as "concrete evidence of the United States' ability and intention to take necessary countermeasures."

WATKINS SAYS HEARINGS MAY END IN WEEK

WASHINGTON (AP)—Sens. Watkins (R-Utah) and Case (R-SD) saw a chance today that hearings on censure charges against Sen. McCarthy (R-Wis.) will end next week. But they wouldn't say how long it might take to write a verdict.

Watkins is chairman and Case a member of a special bipartisan committee set up by the Senate to consider a resolution introduced by Sen. Flanders (R-Vt.) to condemn McCarthy's conduct as undemocratic and as tending to bring the Senate into disrepute.

When the six-man group finishes its report, the Senate is slated to be called back into session to consider the findings.

**Mass Of Evidence**

In 2 1/2 days of public hearings this week, before recessing until next Tuesday, the committee put into its records a mass of documentary evidence bearing on five categories of charges against McCarthy.

These charges were among 46 specific accusations, some of them overlapping, filed by Flanders and Sens. Fulbright (D-Ark) and Morse (Ind-Ore) in support of the censure resolution.

Whether the committee will introduce additional evidence before McCarthy starts his defense has not been decided. Watkins said the group's staff still was going over all the charges and he has left the door open to take up any or all of them not yet covered in the hearings.

**No Predictions**

He told newsmen, in answer to a question, that the hearings could end next week but that he was not making any prediction.

Similarly, in a separate interview, Case said this was "a possibility and also a hope." He added, however, that no one could say definitely, partly because the nature of McCarthy's defense was not known.

Edward B. Williams, McCarthy's lawyer, has said that "we'll be ready to go on Tuesday" if the committee has advanced to the point then of accepting defense testimony.

**A "Fair Group"**

Watkins declined to say how long the committee would need to prepare a report for the Senate and Case said, "I don't have any idea on that."

Watkins, at a news conference yesterday, described the committee as "as fair a group as you can find in the Senate."

"I don't find any prejudice in the committee against Sen. McCarthy," he said. Besides, he said, McCarthy himself hasn't challenged any member "so what's all the fuss about?"

**Take Knife Blade From Man's Head**

PHILADELPHIA (AP)—Part of a 3 1/2 inch knife blade has been removed from 44-year-old Harry Stone's head after being imbedded there—unknown to Stone—for 28 years.

Stone, a chemical worker, went to Einstein Medical Center last Friday complaining of a severe headache which had plagued him the past few years.

X-rays disclosed the knife blade. Stone, puzzled at first, finally recalled having been stabbed in a street fight 28 years ago. Doctors

said the knife blade broke off and passed up the paranasal sinus—an air space behind the nose.

The rest of the knife will be removed in a later operation.

Estimates of the number of Americans who are bothered by hay fever vary from three to five millions.
